

The Stapleford Park Golf Invitational

Friday 10th July 2009 - Stapleford Park

collective minds

Tee-Ho!

In the magnificent setting of Stapleford Park's grounds on a warm July day, guests were brought together by the Event Partners for a round of golf. The purpose? To entertain a select few of their leading clients, all of whom are principals and owners of their respective businesses. While there was a serious round of golf to be played the intention, too, was to deliver fun for the guests within their peer group.

Competition was fierce and made more intense by technological wizardry. With Vpar sets in hand, the leaderboard changed frequently through the day, with particularly exciting finishes both in the team competition as the Stapleford Park 2 Team closed in on the eventual winners Collective Minds Team 1, and in the Individual Competition where Dave de Tone (St James's Place 2) and John Barrett (Bentley 2) went head to head, with John winning out on a count-back.

The Results

Top 5 Teams

1. Collective Minds 1	82 points
2. Stapleford Park 2	80 points
