LIFESTYLE CLUB

Pool

It has come to our attention that members and guest experience are suffering due to misuse and neglect for the rules of the pool area.

The ~~Rules and Regulations~~ have been put in place for all of our guests' enjoyment and safety. On entering the pool area we trust that you have signed yourself and your party in fully and therefore have read and understood the ~~Rules and Regulations~~ which are apparent on the signing in/out sheet and around the pool area.

Please ensure that these ~~Rules and Regulations~~ are followed. In particular I would like to bring to your attention the following:

- 1. Nobody under the age of 16 may use this pool without adult supervision (0 - 3 year olds must have one-to-one supervision, 4 - 7 year olds must have one-to-two supervision)**
- 2. Children under the age of 16 are permitted in the pool between the hours of 10:00 and 18:00 only**
- 3. All children under the age of 16 years must not use the Jacuzzi, Steam Room or Sauna for health reasons**

At Stapleford Park we rely heavily on an honour system. Members at Stapleford Park enjoy the freedom of the Estate and are trusted to adhere to the ~~Rules and Regulations~~ as well as ensuring that they have signed in and paid for any guests that they may have with them, child or adult.

Please report to the management any concerns regarding misuse of these areas or neglect for the rules immediately so the situation can be dealt with.

Classes

With more and more people attending the fitness classes the timetable has been changed in recent weeks taking affect from the 7th April.

Following our members feedback we felt it necessary to make some small alterations to the first proposal, details of which are now available at the Lifestyle Club. I would like to take this opportunity to apologise for the confusion this has caused however may I remind you that attendance to all classes should be reserved and recorded at the Lifestyle Club.
