

# Stapleford Clubs Newsletter

January 2008

Dear Member,

I hope that you all enjoyed a wonderful Christmas and a happy New Year. Thank you for the very positive response that we have received following the circulation of the previous newsletter. Your feedback has been well received and I hope that our relations will continue to grow stronger in the future.

Now that 2008 is here and the festive season has come and gone it is time to look ahead and make plans for the future months. The following newsletter has been put together with this in mind. However, may I first take you back to the delightful Christmas Carol Concert and Luncheon? I am sure that you will all agree it was a wonderful day in our festive calendar thanks to the support from our members and friends.

## Private House Parties

In January and February we have two private parties plus a closure for refurbishment that we must make you aware of. During this time the house has been reserved but as always the pavilion, stables and pool are available for your use. The private parties are as follows:

January: (14:00) 15<sup>th</sup> January 2008 - End: (11:00) 16<sup>th</sup> January 2008  
February: (14:00) 1<sup>st</sup> February 2008 - End: (11:00) 3<sup>rd</sup> February 2008

The hotel itself is also closed for refurbishment from the 3<sup>rd</sup> February 2008 and not due to reopen until the 6<sup>th</sup> March 2008. We are pleased to announce that during this time the pool will remain open, however due to the extent of the work which will be taking place there may be times that we may have to close this. In order to avoid disappointment on arrival, please call in advance of your visit to ensure the pool is available in February.
