

Stapleford Clubs Newsletter

June 2008

Dear Member,

Thank you to those members who attended the Members Champagne Party we really were blessed with the weather!

We have had a large amount of interest in the Hog Roast Evening that is due to take place on the 14th June. This will start at 19:30 in the Rose Garden, the free range GM free hog has already been purchased from Mill House Farm. Booking is essential as numbers are limited so please ensure that you call the Pavilion Reception. Just to remind you the night is not limited to members only and members' guests may come along. A ticket price remains £13.50 per adult and £10.50 per child under 16 and does include an ice-cold beer, glass of wine or a soft drink.

The installation and training of the membership software systems that was mentioned in the previous newsletter continues to go well. We are getting in to the final stages and still expect to be able to distribute the new membership cards later this month. We will of course be sending out confirmation when this is complete in order for you to pick up your new membership card.

As you may be aware there was a car accident that happened in May at the Pavilion crossroads. May I take this opportunity to remind all members that as private land we have no obligation to provide signage and it is expected that all persons on the estate drive with care and attention keeping to the speed limit that is in place. A number of members also continue to ignore the one way system that is in place, please do not ignore the 'No Entry' signs which are apparent at the entrance and exit to the grounds that are meant to ensure the safety and well being of our guests.

GOLF CLUB

Congratulations to Dillon Ross for winning the Club Championships 2008 with two consistent rounds of 78 and 77.

After a worrying start to the day the weather held out and in fact seemed to improve as the event took place. The Championship was a competitive couple of rounds with Dillon only just scooping the prize. The net score Club Champion was Rob Smith finishing 4 shots below his handicap.

The Stapleford Park Challenge is becoming very competitive for the members places. Please ensure that you keep the scorecards used to place your scores in to the leagues to ensure verification.

Congratulations go to Philip Carter and his team for their victory in the highly competitive Spring Invitational.

LIFESTYLE CLUB

Unfortunately we have had to say good-bye to the fish tank that has occupied the poolside since it's opening. The supports for the tank have corroded to the point at which they need replacing. To do this we would have to remove the entire tank and wall panelling due to its original installation.

We are all very sad to no longer have the fish however it has happened in a way that is unfortunately out of our control.
